Digital Badge Peer Grading

Reviewer #1
Read the submitted work. Then choose whether the badge should be:

☑ Approved
☑ Denied

*If approved*, what does the author do really well?

*If denied*, what can the author do to improve this submission for a second attempt?

Reviewer #2
Read the submitted work. Then choose whether the badge should be:

☑ Approved
☑ Denied

*If approved*, what does the author do really well?

*If denied*, what can the author do to improve this submission for a second attempt?

Reviewer #3
Read the submitted work. Then choose whether the badge should be:

☑ Approved
☑ Denied

*If approved*, what does the author do really well?

*If denied*, what can the author do to improve this submission for a second attempt?
